The English High School Alma Mater

Alma Mater, tried and true
English High, our English High
Oft our hearts shall turn to you
English High, our English High;
Should e'er the laurel wreath be mine,
I'll lay the honor at thy shrine,
Our hearts, our hopes, our prayers are thine,
English High, our English High.

We may come and We may go,
English High, our English High;
Yet in deep and peaceful flow,
English High, our English High;
Shall thy stream of learning wide,
Through the ages grandly glide,
Ever thy alumni's pride,
English High, our English High.

CONGRATULATIONS TO OUR GRADUATES!

To the Members of the English High School Class of 2025:

It is finally here! You have worked hard for the last four years and that hard work is paying off as you begin to say goodbye to the people and place that you have called home for high school. As we look back on our time together we are all incredibly proud of what you have accomplished and who you have become.

To say that it has been a pleasure to watch you grow would be a huge understatement. As individuals and as a class you have changed so much since your first days in the ninth grade, and our school is much better for having had you here. You have made incredible contributions to our school--in the classroom, on the field, on the court, or on the stage.

You have brought our Pathways programs to life with your passion and commitment and we are thrilled to be watching our CNAs, Designers, Programmers, Entrepreneurs, and Legal and Protective services experts go forward to make their mark on the world.

As student athletes you have brought us a State Championship, City Championships, and three trips to the Elite Eight and we have loved coming along for the ride as you proudly represented English and showed the best of your athletic ability.

As friends and classmates you have been through ups and downs but have continued to show up for one another and be a shoulder to cry on when needed or a source of laughter and happiness. You challenge one another's ideas and push our thinking as well. We have loved your passion, your humor, and your intellect and the world needs those qualities more than ever before.

You are about to become members of an Alumni Association that is over 200 years old. As you leave us, we know you will carry forward into the world our school values of honor, achievement, and service. Go forward and shine your light bright and bring the best of yourself to a world that desperately needs your light, your passion, and your knowledge.

While we will miss your voices, your talent, and your laughter, we know that the world needs you and that you will make our school community proud. Stay in touch and keep us posted on your journey and know that you will always have a home at English High School.

With gratitude,
Ms. Murphy

Behind every strong person is a story that gave them no choice.

Shout Out:
The entire class of 2025 has came a long way since freshman year, we grew together through all of the up and downs, happiness and sadness, good times and bad times but in the end it was all worth it. To see all of us being able to cross the stage together as we move on to the next chapter in our lives is super bittersweet but I am extremely proud of every one of us.

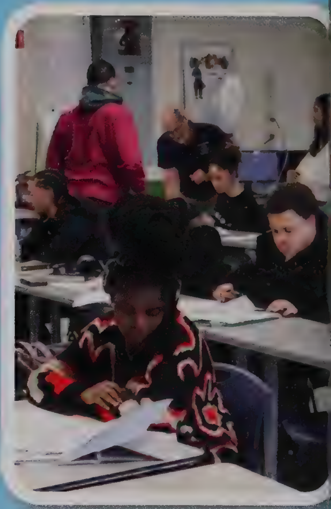
PATHWAYS



> *The Pathways Programs are more than just classrooms and coursework–they are the bridge between ambition and achievement. By equipping students with real-world skills, we empower them to innovate, lead, and shape the future.*
>
> –Andreina Ferreira, English High School CTE Director

The English High School has five Chapter 74 Career and Technical Vocational Programs. These programs have been designed to afford students authentic learning experiences that mirror professional workplace environments while developing literacy, numeracy and critical thinking skills. These 21st Century Skills engage students through hands-on, project or problem-based learning that teaches communication, goal setting, and collaboration; culminating in presentations that demonstrate each student's academic growth and accomplishments.
